Wellness Workshop Series

Charlotte Strauss Swanson, MSW; David Tierney, B.A.; Lex Pulice-Farrow, M.A.; LaTrice Wright, MSMFT; Adam Maughan, B.S.

The Wellness Workshop Series consists of many topics related to mental health and wellness that college students often deal with. These hour long sessions will focus on identifying what these concerns look like and strategies to combat them. Topics include: stress and relaxation; mindfulness meditation; building connections; perfectionism; and finding balance in our busy lives. For a complete list of topics and dates and times, please see the groups monthly calendar.
